

# Coated Outdoor Series

An outdoor-ready evolution of the NorvaNivel styles you already know and love!

So what's  
new?

Our Outdoor Coated Series features a tri-layer poly coating that makes them fully ready for life outside. They're 100% waterproof, weather resistant, and UV color stable, so they can handle sun, splashes, and spills with ease. And when life gets messy? No problem—they're incredibly easy to clean.

# We didn't change what matters most.

Inside, you'll still find the same durable, sturdy foam NorvaNivel is known for, the comfort, support, and quality you trust, now with the freedom to use it indoors or outdoors. From patios and outdoor learning spaces and indoor alike, these pieces move effortlessly wherever life takes you.

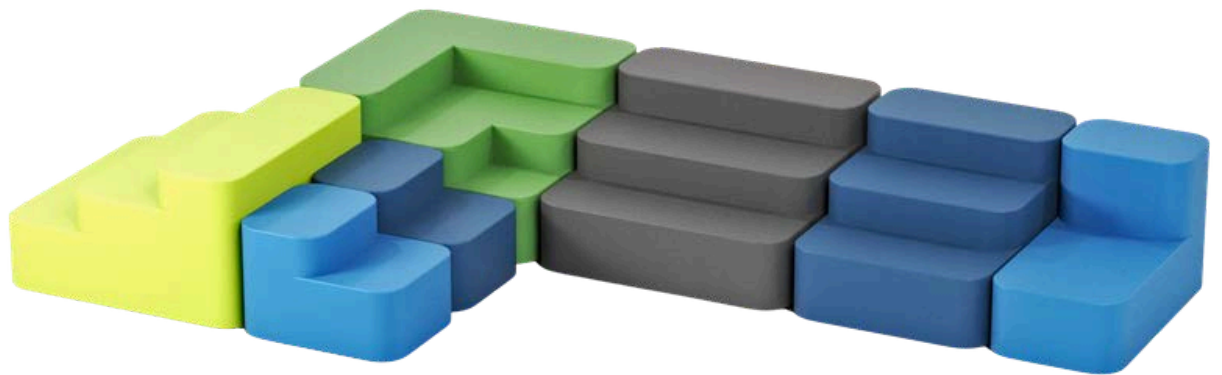

Think of it as everything you love about NorvaNivel...

- Reinforced
- Reimagined
- Ready for anywhere

*This is your invitation to re-envision how and where you use NorvaNivel!*

# Arena Tier Seating - Coated Outdoor Series

Available in the same styles as our standard Arena Series, now in our coated outdoor variety. The ultimate in adaptable group seating - the Arena Series. A lightweight, all-foam tiered seating compartments that provide just enough structure and just enough mobility. Each can be rearranged in seconds, transforming all spaces into the perfect gathering spot.

## Circle Round

The Circle Round Ottoman complements any seating configuration and encourages social interaction and collaboration.

## HexOtt

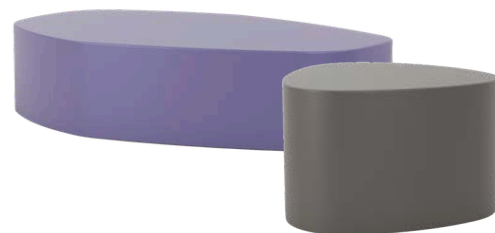

The HexOtt's hexagon shape and construction encourages multiple seating options. It can also be used as a work surface.

## PebbleOtt

Bring the organic beauty of a riverbed indoors with PebbleOtt—all-foam ottomans designed with irregular, pebble-like shapes that create visual interest and versatile seating arrangements. Each piece's unique contours invite creative configurations, whether scattered or clustered together.

## RockerOtt

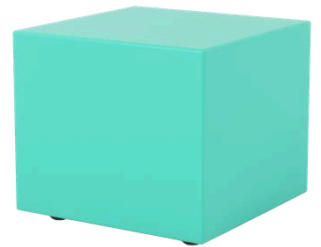

Designed with one flat side, RockerOtt encourages movement and fidget naturally. A great seating solution for students that have a difficult time staying still.

# ADD DIMENSION
